THE CHE-GA-QUAT-KA

of 1947

VOLUME 11

Published by the
SENIOR CLASS
of the
WHITESBORO CENTRAL SCHOOL
WHITESBORO, NEW YORK

FOREWORD

The editors of the 1947 Che-ga-quat-ka have compiled this annual for the sole purpose of creating a pleasant remembrance of the full and joyous year spent by the pupils during 1947. Especially to the senior class this annual should become a treasured book — to bring forth recollections of their life at Whitesboro Central — in the years to come. The memory of the junior prom, the senior play, and of the many friends made during their high school careers will be brought to reality by the pages of this annual in the days when the members of the Class of 1947 will be among the leaders of America.—H. N.

CHE-GA-QUAT-KA

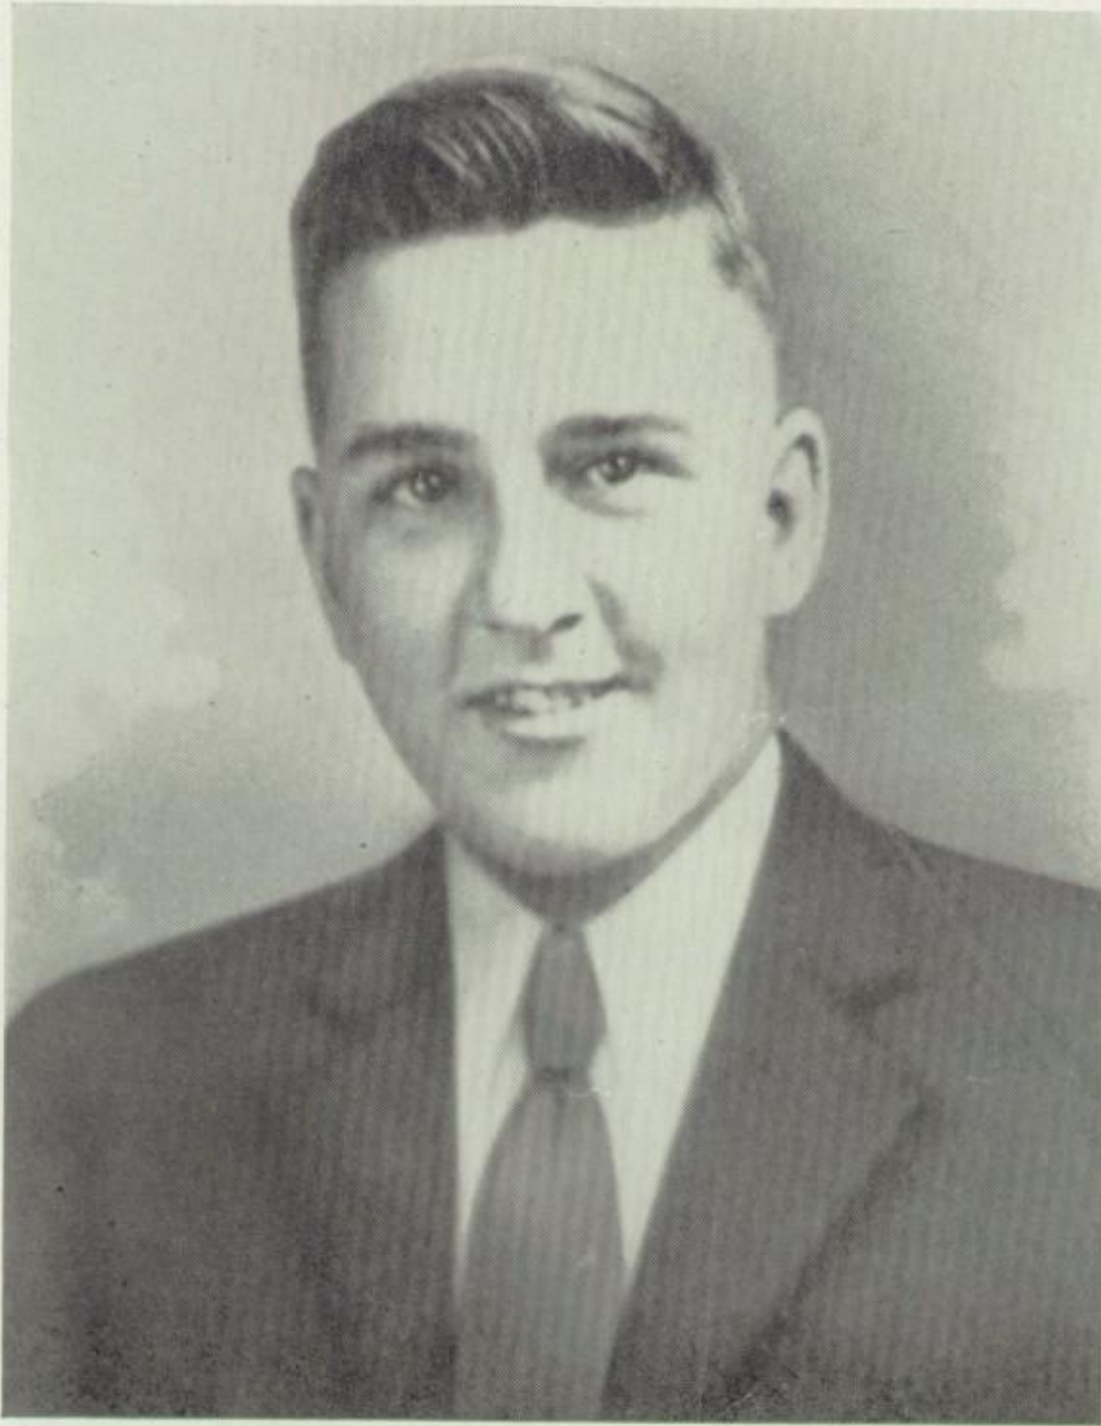

In the spring of 1784, emigration from New England to this section of the country began with Hugh White's arrival here on the fourth of June. Mr. White built a temporary bark shanty for his family near the Sauquoit Creek; but the land here was too wet, so later a permanent dwelling was built on higher ground near the present village park, on the old Indian trail leading from Fort Schuyler to Fort Stanwix. The lower story of the house was formed by digging into a bank — hence the name, White's burrow (Whitesboro) or as the Indians called it, CHE-GA-QUAT-KA, originated from this burrow into the ground. —S. B.

ACKNOWLEDGMENTS

The Staff of Che-ga-quat-ka wishes to extend its thanks to the classes, organizations, and faculty for their cooperation in making this publication possible. They also appreciate the help and constructive suggestions given by Mr. A. M. O'dell of Madell Studios and Mr. Alfred Peters of the Thomas C. Peters Printing Company, who were instrumental in making this eleventh edition of Che-ga-quat-ka a success.

In Memoriam

In loving memory of our pal Dick, who passed away after a serious accident, we wish to dedicate this poem.

HORIZON

I watched a sail until it dropped from sight
Over the rounding sea. A gleaming of white,
A last far-flashed farewell, and like a thought
Slipt out of mind, it vanished and was lost.

Yet to the helmsman standing at the wheel
Broad seas still stretched beneath the gliding keel.
Disaster? Change? He felt no slightest sign,
Nor dreamed he of that far horizon line.

So may it be, perchance, when down the tide
Our dear ones vanish. Peacefully they guide
On level seas, nor mark the unknown bound;
We call it death — to them 'tis life beyond.

DEDICATION

With gratitude we, the Class of '47, dedicate this yearbook to our counselors, Miss Sophie Berryman and Mr. Charles Snyder, who have so willingly and ably helped us, the seniors, with our work and with our problems.

They have been more than teachers to us; they have been our closest friends and advisors. We can never repay them for the hours they have spent in our behalf; but in appreciation, we dedicate to them the product of their work and ours, this . . . our yearbook, the CHE-GA-QUAT-KA.

ADMINISTRATION

As this yearbook goes to press, there is a change in the administration of the school; Mr. Barrington, who left, has been replaced by Mr. Snyder, who was appointed vice-principal of the Whitesboro Central School. To Mr. Frederic DuBois, Mr. Thomas Barrington, and Mr. Charles Snyder we owe the efficient management from which we all benefit, and the maintenance of the high standards of our school, which are comparable to those of other schools of the state.

With diplomas as our goal, several of us veterans who gave up school to fight for Uncle Sam, returned to WCS in September. We realized that an education is necessary for our desired vocations and for training as better citizens. We have been scattered throughout the four years of high school with many of us having credit enough to be graduated in June, 1947. Most of us who reentered school have remained throughout the year, with only a few of our members dropping out during the term. We extend our thanks to Uncle Sam for making an education possible; for some of us might not have found it convenient to obtain further study without the G.I. Bill of Rights.

CLASS HISTORY

Freshman Officers — Class of '47

FRESHMAN YEAR

September, 1943, found WCS acquiring a new freshman class. Our freshman year was uneventful, but we, the present senior class, had a merry time getting acquainted with new teachers and students.

We discovered Mr. McCabe that year. Many of us remember that he taught us sound philosophy as well as general science. His motto was repeated nearly every day, and we still remember it as being, "You've got to learn to think for yourself or others will think for you, and lead you into slavery."

SOPHOMORE CLASS

We endured summer vacation and by fall lost the name of "greenies" and became "wise fools," more commonly known as sophomores. Barbara Cheetham was elected our president, with Alline Scholl as vice-president, Richard Bamberger as secretary, and Gloria Piszcz as treasurer. These officers planned a dance with the aid of our advisors, Mr. Granger, Mr. Jones and Miss Cassidy, who helped us with our problems during Miss Roschek's illness.

Our class had the distinction, if not the honor, of being the first class of WCS to take a full course of health, under the guidance of Miss Cassidy. Now, we vaguely recall the terms periostium, pericardium, delirium tremens, dementis praecox. Health will be long remembered by the graduates of '47, for without it, we would not be graduates.

We wanted to finish the year with a picnic and we worked very hard to plan it. However, after some serious deliberation, we decided to forego our pleasures because there was still a war to be won. Giving

up the picnic made us feel rather proud to think that we were conserving tires and fuel, thereby aiding the war effort.

Many students worked in war industries during that fateful summer; and in August, before we became juniors, our memories "Silas Marner" were eclipsed by the surrender of the Japanese. We rejoiced along with the rest of the world and looked forward to a peaceful junior year.

JUNIOR YEAR

We entered our junior year with more gaiety than ever. We launched into activities which we shall long remember by electing Louis Soltys our president; Greit Malsan, vice-president; Edward Wolak, secretary; and Brian Leach, treasurer. Immediately they began planning a well-rounded program for us.

There was much excitement in October when we began ordering our class rings. Mr. Knutty saw to it that everything connected with the rings was well taken care of. When they finally arrived we were proud to wear them.

The annual Junior Jitterbug Contest, once again undertaken, proved to be an enjoyable venture. Although many came, not everyone did the jitterbug. In spite of the snowstorm that night, it was successful, and we were able to maintain the tradition of that annual event.

Junior Prom

After the contest, we looked forward to the main event of the year — the Junior Prom. We wanted it capably handled; therefore, we chose Richard Bamberger and Evelyn Herthum as co-chairmen. The night of the prom, everyone felt repaid for the effort spent on painting figures, making the float, and preparing for *the* night of nights. We were especially grateful for the artistic talents of Dick Lubey, who helped us work out our theme, the Mardi Gras.

During intermission, we listened to the piano-playing of Joseph Stehlik, and to the baritone voice of Ralph Hoke. The "crowning" event of the evening came when Joan Manna and Kemp Stone were voted Queen and King of the Prom, the queen being presented with a beautiful bouquet of American Beauty Roses.

On June 21, 1946, we boarded the buses and headed for Pine Lake to have a good time and to forget our cares and troubles. We went swimming, boatriiding, played baseball, took pictures, used the amusements, and, of course, ate ravenously. This unforgettable event climaxed our junior year.

SENIOR YEAR

We began our senior year with some misgivings. We were sure that it would mean extra homework, little leisure, and many worries. However, we did find time for basketball games, music concerts, and class elections, which resulted in the election of Brian Leach as president; Marilyn Cheney, vice-president; Charlotte Seremet, secretary; and Jane Knott, treasurer. We also found time for the senior

Junior Picnic

Junior Prom

play, a production of which we were proud. "And Came the Spring" was a great success as good entertainment and an evening of fun.

As all who have gone before, we learned about the eccentricities of our beloved English teacher, Miss Berryman. We discovered that she had an aversion to spearmint chewing gum and that she possessed a loving cup, in which we were supposed to deposit our "cuds." Her homeroom finally learned to keep quiet after she had displayed her array of silencers, including a "BE QUIET" card, a bell and a whistle.

She was not the only teacher who made school life more pleasant. Those of us who took courses from Mr. Knutty will long remember his jokes. Often, when we failed to understand some of his puns, he wore a pained expression which soon changed to one of amusement. He drilled us with the subject at hand, probably while thinking that we were rather inert.

The year had gone flying by and the day of graduation approached rapidly. We were grateful to the advisors who had helped us, for this was the first year that there was counseling in WCS. Some of us eagerly anticipated long-awaited freedom, while others of us regretted leaving. The halls of WCS hold our secrets. They have seen us dejected, sad and heart-broken. They have resounded with our laughter and merriment. We have taken our diplomas in hand and we wish our alma mater a fond farewell and a long career in making school days a treasury of memories for posterity.

Nostri Braty was founded in October, 1941, by four Whitesboro Central School students, George Moyer, William Williams, Edward Cox, and Richard Moore, who agreed that Whitesboro needed a high school fraternity to provide a place for young men to meet and have social contacts. At first the meetings were held in the home of the members; but soon the first and present club house at 148 Whitesboro Street, Yorkville, was secured.

June 6, 1942, the constitution written by the first president, George Moyer, was adopted by the membership. That same year proved a hard one for the

club with the enlistment of many of the boys; however, the group remaining were active and carried on loyally.

Now the club has attained full membership and has taken an active part in community affairs by contributing generously to the various drives for financial support. N.B. in 1946, for the first time, gave a prize to the WCS speaking competition.

In October, '46, N.B. celebrated its fifth anniversary with a dinner at which Mayor Cooper of Yorkville congratulated the society for its excellent record — a record which showed that 104 of its members saw active service in World War II, with all but one returning home safely. Some of the members are now engaged in occupation duty in foreign countries, while others have returned to their pre-war work or are attending school or college.—J.G.

Kappa Epsilon Sorority, founded in Utica in 1888 by Alpha Chapter, is now statewide, with societies in many cities and towns of New York. Iota Chapter of Whitesboro was the fourth to be formed and has been functioning continuously for nearly sixty years. Besides the present society, there is a very active alumnae group which meets regularly. Kappa Epsilon of New York State, which meets in annual convention rotating among the chapters, was entertained by the Iota Sorority of Whitesboro in the fall of 1945 at Hotel Utica. One of the group expressed the sentiment of all the girls when she said, "All of us who belong to this society feel proud to be a small part of such a fine organization."
